Education Update 2008

Cuyahoga County Board of HealthNow offering Servsafe Certification Training Online Course

Do you not have time to sit for 16hrs, not enough staff to cover shifts.....- now, through NRAEF e-Learning, restaurant and foodservice managers and employees can complete needed training at their own pace without an interruption of their schedules!

The ServSafe Manager Certification Training Online Course, Fourth Edition will provide you with the knowledge every food protection manager must know to keep food safe in an establishment. The course content includes updates from the 2005 FDA Food Code, as well as new science-based information and industry best practices. The length it takes individuals to complete the training depends on variables such as their level of food safety knowledge and experience with computers. The course is accepted in jurisdictions requiring up to 16 hours of training. ¹

The flow of the course is very intuitive and allows you to move about freely as you review the concepts. Other course highlights that will help enhance your learning include:

- "Study Guides" that provide supplemental information in the form of printable charts
- A bigger course screen allowing for larger photographic images
- Interactive exercises for practice in simulated real-life situations
- A bookmark feature that allows students to easily return to where they left off ²

After completing the on-line course **contact our office to administer your exam!** Exam dates are listed below. Our office will provide students with a thorough course review, an answer sheet and proctor your exam. Upon successful completion of the on line course and exam, participants receive both a Certificate of completion from ServSafe and lifetime certification from the Ohio Department of Health. The cost per e-learning student is \$65.00*.
