

# OD2A Year One

January 2024 - August 2024

Thrive For Change (Thrive4Change) promotes health, hope, and healing from individuals at risk of overdose and their loved ones through education, collaboration, advocacy, and direct service.

## Objectives and Goals under OD2A

### NALOXONE LEAVE BEHIND PROGRAM

Thrive4Change collaborated with Emergency Responders in providing naloxone kits and resources to individuals who have survived an overdose or who are facing substance abuse challenges.

### OVERDOSE SPIKE RESPONSE PLAN

Thrive4Change aimed to develop a community response plan to respond to community overdose spike alerts, disseminate information, and establish calls to action.

### STIGMA REDUCTION EDUCATION

Thrive4Change implemented and delivered public safety harm reduction education and stigma reduction among public safety providers participating in the Naloxone Leave Behind Program

## Achievements and Accomplishments: Year One

**18**

Collaborations and Stakeholder Meetings held

**4**

3 trainings held with Public Safety personnel (and counting!)

**37**

EMS responders trained on Stigma and Harm Reduction

**86%**

Increase in knowledge attainment among EMS responders after training

Thrive4Change is a nonprofit harm reduction organization providing free naloxone and other supplies to people around Ohio.
