DATA DAYS

Learn from local experts, discover new resources, develop new ideas and gain public health knowledge at this free series.

This quarter's topic BRAIN HEALTH

Join us for a hybrid event to learn more about brain health in Cuyahoga County. The Cuyahoga County Board of Health will share brain health data products created through the Healthy Brain Initiative. The Alzheimer's Association, Cleveland Area Chapter will provide a brain health 101 and share tips and the latest research on healthy habits that can lower the risk of developing cognitive decline and possibly dementia.

JANUARY 27, 2026 | 2:00 – 3:30 P.M.

Refreshments Provided

CCPL – Independence Library
6361 Selig Drive
Independence, OH 44131
(or join virtually on Microsoft Teams)
